PROFESSIONAL SUMMARY

Passionate and self-driven MERN Stack Developer with hands-on experience building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Skilled in developing scalable REST APIs, authentication systems, responsive user interfaces, and real-world e-commerce features including cart, wishlist, user management, and admin dashboards. Strong problem-solving abilities with practical project experience through intensive full-stack development training.

TECHNICAL SKILLS

Frontend	React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Responsive Design
Backend	Node.js, Express.js, REST APIs, JWT Authentication, bcrypt
Database	MongoDB, Mongoose
Tools	Git, GitHub, Postman, npm, VS Code
Concepts	MVC Architecture, CRUD Operations, API Integration, Error Handling, Session Management

PROJECTS

URBANWOOD – Full Stack E-Commerce Web Application

Tech Stack: MongoDB, Express.js, React.js, Node.js, JWT

- Developed a complete full-stack e-commerce web application with separate user and admin modules.
- Implemented secure JWT-based authentication and authorization system.
- Built cart management, wishlist functionality, user profile handling, and product browsing features.
- Developed admin dashboard for product management, user management, and order monitoring.
- Created RESTful APIs and integrated MongoDB database for efficient data handling.
- Implemented password encryption using bcrypt and responsive UI design.

User Authentication System

Tech Stack: Node.js, Express.js, MongoDB, Handlebars

- Built secure registration and login system with encrypted password storage.
- Implemented validation, session handling, and backend routing.
- Applied MVC architecture principles for maintainable backend structure.

Responsive Cake Website

Tech Stack: HTML, CSS, JavaScript

- Developed responsive website with mobile-first design approach.
- Achieved Lighthouse performance score above 92.
- Ensured cross-browser compatibility and optimized frontend performance.

EDUCATION

Bachelor of Commerce (B.Com)

University of Calicut — Graduated in 2022

TRAINING & CERTIFICATIONS

- MERN Stack Full Stack Development Internship – Brototype
- JavaScript Fundamentals – W3Schools

SOFT SKILLS

Problem Solving • Team Collaboration • Communication Skills • Quick Learning Ability • Adaptability

ADDITIONAL INFORMATION

- Typing Club Level: 130+
- Interested in Full Stack Development and Scalable Web Applications
- Presented seminar topics on Artificial Intelligence, Future of Work, and Automation
